

Got A Minute?

If you are concerned as I am about our neighborhood, let's start a **Block Watch** for our street!

Together we can...

- Improve safety/security on our street
- Protect the value of our personal property
- Report suspicious activity to the police
- Get better acquainted with our neighbors

What's involved?

- A commitment to be concerned about your neighbor's property as well as your own.
- A commitment that when you see suspicious activity, you will take action by calling your neighbor or 911.
- Meet occasionally with your Block Watch captain to discuss concerns that impact your street.

Take action! Complete the Block Watch interest form below. Return it to your Volunteer Block Watch Captain: _____

Yes, I would like to attend a one-hour Block Watch training session.

Saturday morning works best for me. An early evening week night is best for me.
